3. Duties and Responsibilities

- 1) Teach and develop undergraduate and graduate courses in Microbiology and related fields.
- 2) Conduct and publish high-quality research in their area of expertise.
- 3) Provide academic advising and mentorship to students.
- 4) Secure research funding and collaborate on academic development projects.
- 5) Contribute to other departmental and university service missions as assigned.

4. Application Process

Applications must be submitted online **from 21 January 2026 – 20 February 2026**.

5. Conditions of Application

- 5.1 Applicants may submit only **one online application** for this recruitment.
- 5.2 Applicants must possess qualifications as specified in Section 1 by the application closing date, **20 February 2026**.
- 5.3 Applicants are responsible for ensuring their eligibility and must submit all required documents accurately. In case of false or incomplete information or ineligible qualifications, KMUTT reserves the right to disqualify the applicant without refund.
- 5.4 Online applications are considered legally signed under the Electronic Transactions Act B.E. 2544 (2001), amended by (No. 2) B.E. 2551 (2008). Providing false information may result in legal penalties.

6. Announcement of Eligible Applicants

The list of eligible applicants will be announced on the website

<https://hrm.kmutt.ac.th/career-kmutt.php>

7. Criteria and Procedures for Selection

- 7.1 Preliminary qualification screening and/or
- 7.2 Suitability Assessment for the Position (100 points)

8. Selection Criteria and Methods

8.1 Only applicants who pass the preliminary screening will proceed to the suitability assessment.

8.2 Candidates must achieve a minimum score of 70 points in the suitability assessment for the position to pass.

8.3 The announcement of the list of successful candidates will be made by ranking candidates in descending order based on their total scores. If two or more candidates obtain the same total score, the candidate with the higher score in the suitability assessment for the position shall be given a higher rank. If the scores in the suitability assessment are also identical, the candidate with the higher score in the skill test and/or practical ability test shall be given a higher rank. Should the scores remain tied, the candidate with the earlier examination registration number shall be given precedence in ranking.

9. University Employment Hiring Process

9.1 After the interview, successful candidates will be notified to undergo a medical check-up at Bangpakok 1 Hospital. The university will cover all related expenses. Medical results will be used for probationary appointment consideration.

9.2 Selected candidates must report to the university within the specified period. Failure to do so will be considered a withdrawal of the application and the offer will be forfeited.

Announced on 21st January 2026
